Local Community Access Maps

These maps have been produced to encourage the local community to walk from their homes to the village centre and other community facilities, instead of using their cars, and to encourage walking in the surrounding countryside as a healthy leisure pursuit.

They show the by-ways and footpaths that we hope will assist people to move around their locality on foot, avoiding roads and traffic where possible.

The Two maps in this publication are:
- A map of the greater Twyford area at 1:12,500 scale extending into the surrounding countryside as far as Dinton Pastures, the Loddon Valley and part of Wargrave.
- A detailed map of Twyford at 1:8,000 scale which shows local community information walks and linking footpaths within the village.

The Ramblers Association have assisted in ensuring all Definitive Footpaths of the area are included.

The Twyford & Ruscombe History Society booklet 'Village Walks' describes in detail a generally circular walk past many historic buildings in the local area. This route is marked by blue arrows and associated walk book section numbers on the 1:8000 scale map.

The paths on these maps fall into two main groups:
- Urban footpaths shown by olive green or black lines generally have hard surfaces.
- Rural paths shown in other colours are often unsurfaced and could be muddy.

Care should be taken on the recommended routes. The Highway Code and the usual rules of road safety and the Country Code should always be observed.

While we have tried to ensure the accuracy of all information, we do not accept liability for any use made by you of them. The routes shown are not necessarily rights of way and are intended as a guide only. Neither Twyford Village Partnership, Wokingham Borough Council or any other group or individual involved in this project will be liable for any inconveniences.

A Local Community Access Map

Produced by Twyford Village Partnership in association with Wokingham Borough Council’s Transport Strategy and Communications Departments, the Loddon Valley Ramblers and Twyford & Ruscombe Local History Society

This project completes an Action Point from Twyford’s Parish Plan ‘Twyford 2020’, published April 2010.

It was made possible by a grant from SEEDA via the Berkshire Rural Access to Services Programme (RASP) and is the result of many hours of voluntary work walking and plotting the routes. Our thanks go to everyone involved in this project.
